FRIDAY 7TH MAY

12 NOON MATINEE

SATURDAY 8TH MAY – 8PM

The theatrical event of the year in the Shire will be Louis Nowra's hilarious and touching play. Cosi tells the story of Lewis who takes a job in a mental asylum to work with patients interested in the dramatic arts. Before long the overly ambitious players embark on a grand staging of Mozart's Opera Cosi Fan Tutte. None of the ageing nymphomaniacs, obsessives and pyromaniacs in the cast speaks Italian, but this does not daunt them as Lewis learns that when chasing your dreams it helps not to be too attached to reality. If it's sanity you are after, there is no cure like laughter. A la carte pre-show dining is available.

CCEENTERTAINMENT PRESENTS:

COME TOGETHER: CELEBRATING THE BEATLES 1967-1970

SATURDAY 15TH MAY – 8PM

The CCEntertainment 'Classic Rock Concert Series' shows continue to grow in popularity, after their spectacular homages to the Eagles, Pink Floyd and the Rolling Stones. Now they turn their attention to perhaps the most enduring icons of popular music, the incomparable lads from Liverpool known as the Beatles.

An exceptional ensemble of guest vocalists and musicians, under the creative direction of Joseph Calderazzo, will come together to revisit and reinterpret material created during the most innovative stage of the Beatles career between 1967 and the end of the band in 1970. Songs from the classic albums *Magical Mystery Tour*, *the White Album*, *Abbey Road* and *Let it Be* will be featured. This will be an unmissable and unique concert event. If you like the celebrations of your favourite bands and performers to be authentic yet contemporary, and the performers to be interpreters not mimics, then you will feel right at home at a CCE show.

Book early for a night of sound, vision and superb music with tickets starting from just \$36. Preshow and cabaret dining options are also available for an additional \$25.
